# WORDPRESS WEB MAINTENANCE PLAN

---

## **WordPress Maintenance and Support**

Never worry about your WordPress site again. From development to security and updates, we do it all.

### **We work on unlimited small jobs**

We aim to solve all WordPress headaches on your WordPress website. Our talented developers will work on unlimited small jobs – including security on-site backups, maintenance, theme/plugin quick-fixes, speed optimization, website improvement analysis, two hours design/development/content updates.

### **Security & Offsite Backups**

We provide nightly offsite backups of your database and file system. No need to worry about losing your data. Relax and let our knowledgeable support technicians handle it for you. Your WordPress site will be safe and secure with 24/7 monitoring. Backups can be emailed to you or downloaded off-site location for safe-keeping.

### **Fast turnaround Jobs**

Jobs are submitted via email – although a 24/7 live chat service is also available – and the turnaround for jobs is an impressive eight hours. This varies depending on demand but is typically handled under 24 hours. Our business is Hongkong based and operates primarily during China business hours, Monday to Friday.

### **Free WordPress Migration**

We are happy to migrate you for free during the setup process to a more suitable WordPress hosting environment provided by any of our approved partners should you decide it's right for you.

**80 % of your results comes from 20 % of your activities.**

It is easy to feel like there are not enough hours in a day to run business.

Pareto Principle states that 20% of your actions will drive 80% of your value. So you serve your business best by focusing on the '20% tasks' , let the '80%' chores tasks to the outsourced technicians.

### **The Maintenance service worth your money**

Our web maintenance plan starts from \$60/month, \$50 per month for annually paid, one price fits all. Let us conservative estimate you will spend two hours per month on website maintenance. Your opportunity cost in terms of client work you have missed out is around 100 to 200 USD if you charge your time at \$50 – 100/hour.

### **Monthly Site Improvement analysis**

You will receive our improvement analysis and support from sizable interactive' s team for site tweaks, modifications and more.

### **Developers You Can Trust.**

Best of all, our developers will give you peace of mind that your website is in good health. This frees up your time and focus for the tasks that add real value to your business that only you can do.

Services that make your life easier, give the chores tasks to the outsourced technicians.
